

# About Jotform

We believe that the right form can make all the difference. With Jotform, organizations go from busywork to less work with **powerful forms** that use **conditional logic, accept payments, generate reports, automate workflows**, and more.

With over **17 years** in business, **20+ million users** worldwide, and 50 percent year-over-year revenue growth, Jotform is **a trusted global brand** that's expanding every day.

# History

In 2006 **Aytakin Tank** launched Jotform **as the first WYSIWYG online form builder**. Since then, we've focused on continuously improving our offering by launching new **products, features, and integrations** regularly. Our company is 100% bootstrapped and hasn't received a cent of outside funding.
